3.0 Scope of Work

3.1 **Subject/Work Title:** Empanelment of interested Vendors for participation in project consultancy services including construction of important/major roads / bridge projects and buildings in Tripura on back-to-back tie-up basis.

3.2 Expected work volume may be more than Rs.100 crores per year in different packages spread over the entire State of Tripura. The scope of the assignment emphasizes the following activities towards any Work Title mentioned in clause 3.1 above:

- a) Preliminary and detailed survey.
- b) Preparation of preliminary and detailed drawings along with structural drawings.
- c) Preparation of preliminary estimate.
- d) Preparation of detailed project report based on detailed estimate.
- e) Sub-soil investigation.
- f) Execution of the project.

The reports/documents of all the above activities shall be submitted to PWD through Braithwaite & Co Limited (BCL) and selected Vendors will have to assist us to get it approved/cleared by the PWD. The execution shall be done under the direct supervision of BCL/PWD. Quality Control and Documentation thereof shall also be the responsibility of the selected Vendor.

3.3 Works will be awarded to the empanelled Vendors by way of limited tendering on case to case basis. The acceptance of the Bidder is subject to approval by PWD, Govt. of Tripura, if required.

3.4 Cost of the projects for this purpose is to be based on the Current Schedule of Rates prepared by State PWD.

3.5 The design and construction of the project shall be strictly in conformity with the relevant IRC Code of Practices (latest revision) and up to date guide lines of MoSRT&H for the project related to Road/Bridge, while the relevant IS Code of Practices (Latest revisions) and CPWD specifications shall be followed for the building projects. Though the preliminary activities are to be done with the approval of the BCL/PWD and execution would be made under supervision of BCL/PWD, the responsibility of proper design and execution with specification and safety as well as quality control shall be with the selected vendors.

3.6 Defect liability period for the project shall be one year after completion and handing over of the project to PWD. Security Deposit @ 10% shall be deducted from each running bill subject to maximum of 10% of the total cost of the project. 50% of the Security Deposit so deducted from the running bills shall be released along with the final bill and balance will be released after completion of defect liability period.
